

## Appropriate Body Services

### Your school will be able to

- On-board your Early Career Teachers (ECT)
- Receive regular updates from our closely aligned work with the DfE and the Teaching School Council
- Receive full support and guidance in completing formal assessments and progress reviews
- Support from experienced practitioners in early career teacher development for struggling ECTs
- Access ECF Fidelity Quality Assurance if you are following your own ECF programme or the Core Induction Programme
- Be confident in meeting all responsibilities for ECT induction

### Cost to School

£199 per ECT for the two year period

Costs are in line with our neighbouring Teaching School Hub to support schools who employ teachers from our ITT provision at the Alban Federation\*

## Early Career Framework Full Induction Programme

### Your school will be able to

- Receive training from locations across the Alban TSH region through our role as a delivery partner for the Educational Development Trust
- Have access to an online platform to support the programme, access to trained facilitators, robust training programme for mentors and high quality training materials at no cost to your school
- In addition to the statutory funding receive additional backfill funding for mentors training time across the two years. This is equivalent to 36 hours of training. Full programme only
- Have confidence that your ECTs are receiving the full ECF Framework programme in line with induction entitlements

*\* Costs are aligned with our neighbouring Teaching School Hubs for Alban Federation ITT trainees (£199)*
